

A Roman Shade

This is a Standard Shade, with traditional style looks. Comes with a valance.

A Roll-Ease Shade

A clutch system provides easier lifting of the shades. Maximum lift weight 30 lb. Cord available in 3 ft., 4 ft., 5 ft. and 6 ft. Optional surcharge depending on width - see price grids.

Old Roman Shade

Standard Roman Shade with lift control cord behind the shade. Does not have a valance.

Duo-Fold Shade

Top down and bottom up shade.

Optional surcharge (base price plus \$180)

A Roll-Up Shade

This is a Standard Shade with an old classic feel.

Panel Track

A multi-slotted track system which allows panels of fabric to bypass from each end

A Hobbled Shade

An optional Roman Shade that cascades like a waterfall. **Optional surcharge: base price plus 30%.**

Multiple Shade (on one headrail)

Priced as a standard shade plus surcharge according to overall shade sizes.

Two shades on one headrail: \$140 surcharge
Three shades on one headrail: \$180 surcharge
